URGENT: OUR CLIENT WILL PHONE SCREEN QUALIFIED CANDIDATES WITHIN A DAY OF RECEIVING RESUMES. THIS WILL BE FOLLOWED BY A FACE TO FACE INTERVIEW.

LOCATION: DOWNTOWN ATLANTA

LEVEL OF EXPERIENCE – MID LEVEL. The focus of the position is on reporting functions, so senior level SAS consultants will not be challenged.

PAY RATE: We can pay 45- 50/hr W2 or 52-54.50/hr corp to corp depending on experience. I can also work with 3rd party vendors.

Please contact me by Wed 10/19 at 4pm OR anytime next week if this is of interest. I will not be in the office 10/20 or 10/21.

Please share this posting with any mid level SAS professionals in your network.

CCCi is seeking a mid level SAS Developer with 3 – 7 years of SAS experience for a 6 month + opportunity in Atlanta, GA. CLIENT IS READY TO INTERVIEW ASAP. Candidates MUST be local or willing to relocate at their own expense. This position will work closely with marketing business units to provide target marketing lists and propensity models for product campaign support and customer information/campaign analysis. Responsibilities include providing technical and analytical support including data mining, customer scoring, sample survey design, as well as perform general analysis.

Job Experience and Education

Bachelor's degree in Marketing, Statistics, Economics, Computer Science, or a related field
Experience with large databases, database access, and data interpretation
Experience in SAS (v 9.2) and SAS Macro
Experience in SQL, Unix and/or Oracle environments

Knowledge, Skills & Abilities

Client relationship skills
Demonstrated knowledge and use of statistics
An understanding of how to apply data insights into actionable business plans
An ability to interpret data and present findings
Ability to collaborate with Product Management and Market Research groups
An understanding of marketing data sources (i.e. Axcium, InfoUSA)
Knowledge of Oracle and/or relationship database
Highly proficient in Word, Excel and PowerPoint
An understanding of the Data Access Query Server
